S. P. WILL NOT SELL PROPERTY FOR FIREHOUSE

The Southern Pacific Company will not sell property to the Niles Fire District for a proposed new firehouse site, it was revealed Tuesday at the weekly Chamber of Commerce luncheon meeting.

In a letter to Secretary Vernon Ellsworth, Superintendent E. D. Moody of the railroad company said that it is contrary to the policy of the company to relinquish any of its station reservation property.

EFFORT TO CONTINUE

Commissioners of the fire district, however, have stated that the property in question is of unlikely use to the railroad, and that continued efforts will be made to buy it.

The Chamber voted to address communications to the county board of supervisors, to State Senator Arthur Breed Jr., and to Assemblyman Francis Dunn Jr., pointing out the urgency of early extension of the Eastshore Freeway as far south as Alvarado.

SCHEDULE DELAYED

The action followed remarks by E. C. Parks, Niles real estate agent, that the time-schedule for the freeway is being extended due to the relocation of the highway through Castro Valley.

Parks urged that the organizations of Washington Township use as much influence as possible to bring about early completion of the freeway far enough south to benefit transportation in this area.

NILES ZONING MEET WEDNESDAY

A zoning meeting, to which all property owners and others interested are invited, has been set for Wednesday evening, May 12, at 8 o'clock, in the auditorium of the Niles Elementary School.

This meeting, which has been arranged by the zoning committee of the Niles Chamber of Commerce, will consider the over-all picture of the proposed zoning of the town County Planning Consultant Ronald Campbell and Engineer John Thomas will be present.

Changes in the zoning map which have been suggested at four neighborhood meetings will be discussed.

FRIED RABBIT MEAL PROVES COSTLY

Joe Henry Manous, 41, who gave his home address as San Jose, is paying all this week for a rabbit dinner he enjoyed in Newark one evening last week.

Manous told Judge Allen G. Norris in Centerville Justice Court last Friday that he took two rabbits from the pens of Mrs. Evelyn Ledford, 781 Sycamore street, Newark, cooked them and was eating them in the hobo "jungle" near Newark when his meal was interrupted by Deputy Sheriff Robert Moore. He was sentenced to 10 days in the county jail.

SEARCH HERE FOR ESCAPED PRISONER

Road blockades were set up throughout this area Wednesday by sheriff's deputies and State Highway patrolmen in an endeavor to bag an escapee from Santa Rita Prison Farm.

Object of the manhunt was Jack Cutler, a member of a railroad crew who had worked in this area for the past several months. He escaped sometime after midnight Tuesday and was still at large yesterday.

He was described as white, 5 feet 5 inches tall, 165 pounds, 50 years old, brown-gray hair and at the time of his escape was wearing the gray prison uniform with the initials A.C.

HIGH SCHOOL STAFF GETS CONTRACTS, SALARY INCREASE

The entire present certificated staff of Washington Union High School received 1948-49 contracts this week as the result of action taken by the members of the Board of Trustees of the school at their Tuesday evening meeting.

J. V. Goold, district superintendent, revealed yesterday that a new ruling is in effect this year, whereby each instructor, if he or she intends to accept the position for the coming year, must sign the contract and return it to him within a period of 20 days. The deadline was formerly June 15.

Goold said that the new contracts all call for a wage increase, varying from $100 to $300 per year.

The board also voted to increase the present teaching staff of 29 to 32 by hiring three new instructors. The instructors are needed for English-history, machine shop, and boys physical education-senior current problems classes. Goold revealed that Mrs. Clorinda Lennon, English and Spanish teacher, has expressed her intention of resigning, thus creating a vacancy in that department.

RAINFALL OF LITTLE BENEFIT TO WELLS

Although rainfall here during the past month has been slightly above average, it has failed to have any appreciable effect on the wells supplying the water for the Alameda County Water District, according to E. A. Richmond, manager of the Centerville office.

Richmond said yesterday that the water table in some of the wells had risen a matter of a few inches but the only overall benefit was from the fact that the rains had halted the pre-seasonal irrigation drain on the supply. He revealed that the water levels in the five wells ranged from 20 to 40 feet below sea level.

SHERIFF'S OFFICE SEEKS RECRUITS

Alameda County Sheriff H. P. Gleason, addressing the members of the Decoto Chamber of Commerce at their meeting Tuesday evening, suggested that the group sponsor a program by which young men of the community would be encouraged to apply for positions in the sheriff's office.

He emphasized the advantages of having local men on his staff, as they "know the territory."

In response to the Chamber's recent request that additional patrol service be furnished the community by his office, Sheriff Gleason promised that the matter would be given every consideration, but said that the investigative program is already as adequate as could be hoped for. He urged all residents to be more cooperative in promptly reporting any disturbances, however slight. He extended an invitation to the Chamber members to visit the county prison farm at Santa Rita and to plan a dinner meeting there with the meal to be served at a nominal charge. President Kenneth Garcia presided over the meeting.

EDUCATORS VISIT

The County Board of Education this week has been making its annual visit of county schools. E. Dixon Bristow, district superintendent of the Niles school, is a member of the board.

IRVINGTON MAY GET NEW HOME TRACT

The announcement that a large contracting company is interested in purchasing an acreage in or near Irvington for the construction of a 50-home tract, was made to the members of the Irvington Chamber of Commerce at their luncheon meeting held Tuesday at Roethlin's Cafe.

Edw. L. Rose revealed that he had talked to representatives of the company, who had told him that they had contacted several land owners in the vicinity, but as yet had been unable to find a suitable site.

A report was made on the work accomplished by the volunteer members of the Chamber who turned out early Sunday morning to sweep and clean the streets throughout the business district. L. S. Williams was voted a thanks for the donation of two of his trucks used in hauling off the debris.

Allan Hirsch asked for volunteers to assist him in beautifying the community's park this Sunday and a detail was organized to accomplish this work.

Judge E. A. Quaresma, a guest at the meeting, spoke briefly, complimenting the group on its advancement.

Edward E. Enos, Niles, chairman of the Washington Township Hospital Committee, introduced Larue Sorensen, an executive of a Carmel architectural firm, who spoke on the subject of the establishment of a hospital district here.

SENIOR COMEDY HIT CLOSES TONIGHT

"Don't Take My Penny," a hilarious three-act comedy by Anne Coulter Martens, was presented in the auditorium of Washington Union High School last night by the Senior Class, and will have its final performance tonight.

The first night audience rated the show as tops, and a capacity crowd is anticipated for tonight's performance. The setting of the show is a home in Centerville and the time is the present.

The cast, working under the direction of Mrs. Martha Hartsog, includes Jean Oliveria, Albert Alberts, Diana Crossman, Joe Valcazar, Andrew Alvarez, Barbara Kuegeman, Isabel Ariza, Nancy Bishop, Gerry Nunes, Jim Aguiar, Virginia Caldeira, Bob De Salles, Joyce Harvey, Bernadette Leal, Jackie Biale, James Duarte, and John Cordeniz. The staff includes Miss Dorothy Czerny, set design; Miss Audrey Carmody, wardrobe; Dwight Thornburg, music; Salvador Guerrero, stage manager; and W. Mette, stage construction.

MARY BERNARD TO ATTEND N. D. G. W. CONCLAVE

Mary Bernard was chosen to be the delegate of Laura Loma Parlor, N.D.G.W., for the state convention in Sacramento the latter part of June at an election held at the meeting Tuesday. Rose Stearns was named alternate.

NIGHT GRADUATION AT HIGH SCHOOL

Breaking a custom of several years standing, the senior class of Washington High will hold its graduation ceremonies at night, rather than during the afternoon. The announcement was made this week by the school administration.

The exercises will be held at the Memorial Stadium of the high school on Thursday night, June 17. Sam Scott, member of the high school board of trustees, will present the scholarship awards, and Judge E. A. Quaresma, also of the board of trustees, will present the attendance awards.

TWO AIRMEN HURT IN CRASH LANDING

A forced landing in their light airplane late Sunday near Alvarado resulted in minor injuries for Joseph C. Wallman, 23, Centerville, and Richard Jellef, 22, Palo Alto.

The two youths reported that they had just left Centerville a short time before and were circling Alvarado at about 3,000 feet when their engine stopped. They selected a barley field belonging to John Ahern for their emergency landing. The landing was executed safely, but the craft nosed over in the soft mud and flipped on its back.

The two fliers crawled from the wreckage unaided and walked to a nearby road where they were picked up and taken to a Centerville physician by a passing motorist. Wallman suffered a forehead cut, which required five stitches to close, and Jellef had a small cut over one eye and bruises of his left hand and arm.

Both of the youths are experienced airmen, Wallman chalking up 53 combat missions in the South Pacific in World War II and Jellef is an ex-Navy pilot with many hours of flying to his credit.

LAST RITES FOR CAPTAIN T. K. OAKES

Captain Theodore K. Oakes, prominent sea captain and a resident of Centerville for the past 30 years, died in a San Jose hospital Monday evening.

He was a native of Rega, Latvia, but came to this country at an early age. He taught in the old Taylor Nautical Academy in San Francisco in the early 1900's. He served with the Pacific Mail Steamship Lines for many years and when the Grace Lines took over the company he retained his position until his retirement in 1932.

At the beginning of World War II he was called into the service of the Maritime Commission and served overseas for three years.

Last Saturday he suffered a heart attack at his home at 157 Fremont avenue, Centerville, and was taken to the hospital Sunday and succumbed the following evening.

He was the husband of Mabel M. Oakes and uncle of John L. Stevenson, Centerville. He was a member of the Centerville Lions Club.

Funeral services were held Thursday at 10 a.m. from the parlors of the Chapel of the Palms, Centerville, with Rev. Arthur Freeman, pastor of St. James Episcopal Church, officiating.

Closing services were at Cypress Hill Mausoleum, Petaluma.

$160,000 IN BONDS SOLD BY IRVINGTON SANITARY DISTRICT

Bonds totaling $160,000 were ordered sold to the low bidders by the Board of the Irvington Sanitary District at a meeting held at the Leal Building in Irvington Tuesday evening.

The bond issue was voted recently by the residents of the Irvington district and the newly annexed Mission San Jose district, to cover the cost of laying sewer lines in the Mission and the construction of a new sewage disposal plant for both communities.

The sale of an issue of $120,000 was awarded to the R. H. Moulton Company for a net interest cost of $33,573 plus a premium of $1,077 at an annual interest rate of two and three-fourths per cent. Other bidders were: Barcus-Kindred Company of Chicago, $40,856; Bank of America, $42,271; and California Bank of Los Angeles, $50,263.

The $40,000 annexation issue of 1948 was awarded to the Bank of America on a bid of $16,026, with a par plus premium of $9. Interest rate on bonds 1 through 6 at four per cent and on bonds 7 through 40 at three and three-fourths per cent. Only other bidder was the California Bank of Los Angeles with a bid of $16,751.

R. J. Wright, clerk of the board, said yesterday that the bonds could be printed and sold and the actual construction started about mid-July.

Lack of Hospital Facilities Revealed to Local Groups

"The citizenship we enjoy here in the United States has a certain price which we must pay, or two obligations we must assume—the education of our children and the health and welfare of our citizens.

This was the statement made by Larue Sorensen, executive assistant to the Robert Stanton architectural firm of Carmel, who was a guest speaker Tuesday at the luncheon meeting of the Irvington Chamber of Commerce, at an assembly of students of Washington Union High School and at a meeting of the Washington Township Country Club.

Sorensen, prominent throughout California as a hospital architect, spoke on the establishment of a Washington Township Hospital District, and was introduced at each of the three meetings by Edward E. Enos, Niles, chairman of the local hospital committee.

STATE AND FEDERAL AID

He told the groups that a recent national survey revealed that based on three beds per 1,000 population, California is now short 60,000 hospital beds.

He told of the plan which has been set up whereby, after a hospital district is formed, the state will furnish funds for one-third of the cost of construction and equipping of a hospital, the federal government will appropriate another third of the initial cost. Thus, the final third is all that must be borne by the residents of the district.

"There are no strings to the government appropriations," he said, "the money is given outright and the operation of the hospital is your responsibility. The County Board of Supervisors would appoint the first five-man board of directors and after that each is elected just like a school trustee.

TO VOTERS JUNE 1

"The survey made by the government revealed that this area is growing rapidly and totally lacking in hospital facilities and for that reason has been placed on top of the list of areas that will receive aid if and when a district is established and the building program commenced.

"Your local committee has done a splendid job here in the initial work and you now have your opportunity to go to the polls on June 1 and exercise your desire to have a hospital district here!", he concluded.

During question and answer periods held at the conclusion of his talk, Sorensen was asked how the cost of operation would be borne after the hospital was completed. He told the groups of various hospitals which have been constructed under just such a program as proposed here, and stated that each of them had become self-supporting after the first two years.

LIMITED ON SIZE

Asked as to the size of hospital that would be considered for this area, he said that the government determines the needs, based on types of cases and local conditions, but added that two and one-half beds for 1,000 population are all that would be allowed for an area of this size and type.

Asked about the cost to the residents here, Sorensen pointed out: "By forming a district you do not commit yourselves to establish a hospital. Before any building is begun you would have a voice in whether or how it would be established."

WASHINGTON HIGH REMAINS UNDEFEATED

The Washington High School baseball team yesterday afternoon defeated the San Jose Tech club 4 to 2 to retain their 1.000 per cent average at the top of the S.C.V.A.L. standings. Coach Hird's boys got four runs on four hits while committing three errors. The San Jose club was able to get only two runs on the five hits allowed by Irv Alameda, while committing four errors.

Yesterday's win was the fourth consecutive victory for the Washington team.

The renewed charter for the Newark Cub Pack was received Wednesday by Cubmaster Kenneth Foster from Don MacDougal, Scout executive. As in former years the sponsor of the pack is the Presbyterian Church.

CENTERVILLE HOLY GHOST FESTIVAL SATURDAY, SUNDAY

The Festival in honor of the Holy Ghost will be held at Holy Ghost Church, Centerville, on Saturday and Sunday, May 8 and 9.

The festivities will begin Saturday at 7:30 p.m. with the procession of Queen Ellen Freitas and her attendants, the Misses Antoinette Pimentel and Lorraine Martin. The queen will present the sceptre and crown, which she will receive from Miss Barbara De Borba, last year's queen, and will petition for the coronation. The rosary will be said and the sceptre and crown will be placed on the Altar of Reservation for the morning ceremonies.

Immediately following the rosary, a program will be presented by the Catholic Youth Center of the parish on the parish grounds with everyone invited to attend.

Following the entertainment the queen will open the Grand Ball, at which a union band will furnish the music for the chamarita and American dancing. The Centerville band will furnish the music for the outdoor festivities and the procession.

Masses will be held Sunday at 8, 9:30 and 10:30 a.m. The procession will form at the home of Mr. and Mrs. A. O. Macio on Main street at 10 a.m., and will march to Parish Hall, thence to the church for the high mass at 10:30. At the church the queen will be crowned and with her attendants will assist at high mass in her place of honor. The sermon will be preached by the Rev. Manuel Alvernaz of San Leandro. On the conclusion of mass the queen's offering of the little loaves of bread will be blessed and in the recessional she will distribute these to the congregation as a symbol of the charitable offerings of Queen Isabella to the people of her day.

The afternoon will be taken up with the traditional auction of livestock and fruits of the field.

CENTERVILLE SCOUTS SCHEDULE PARENTS' NIGHT

Parents of the members of Centerville Boy Scout Troop will be guests at a Parents' Night program to be held Wednesday at 8 p.m. at the Centerville Elementary School.

The Scout Committee will be in charge of the program, which will feature movies of the Diamond-O summer camp site. Demonstrations on scouting will also be presented.

MONTEREY TROUT PROSPECTS

Trout anglers should enjoy excellent sport opening week on the Big and Little Sur Rivers in Monterey County. These rivers are higher than usual for this time of year, but the water is generally clear and lots of trout have been spotted.

STRIPED BASS FISHING

Striped bass fishing has been good the past few days along the North Fork of the Mokelumne River, San Joaquin County.

TROUT OPENING

Trout fishing should be good during opening week along the Kern River in the Kern County area. Good fishing should also be had along Cedar, Deer, and Walker Basin Creeks in this same area.

ORANGE COUNTY TROUT

Opening week of the trout season should be fair along Orange County streams. Most of these have been planted with trout from Whittier Hatchery.

SAN BERNARDINO TROUT

Trout anglers are expected to turn out in large numbers for the opening week of trout season in San Bernardino County. Although they should have good fishing on most of the local streams that have sufficient water, their best bet should be Lake Arrowhead and Big Bear Lake.

TWO HOME GAMES FOR HUSKIES NEXT WEEK

Baseball fans will have two opportunities next week to see the powerful Washington Huskies in action on their home field when they meet Mountain View here Monday and Santa Clara Thursday, both S.C.V.A.L. encounters.

Coach Irv Hird's club, in a first place tie with Santa Clara for the league pennant, will close its season on May 19 at Live Oak.

NILES MERCHANTS BEAT OAKLAND CLUB

The Niles Merchants won a nine-inning slugfest from the Shea Rookies of Oakland on an Oakland diamond last Sunday, bunching 16 hits to get 13 runs while the Rookies got only 8 runs from 18 hits.

Manager Tom Pugmire had but nine men to take the field for Niles, while the Class A Oakland team had a club of 18 members. Sharing the mound duties for the Niles club were Junior Holderfield, Joe Tarin and Troy Holderfield. Left Fielder Guy Pugmire and Third Baseman Frank Dadie each got three hits for five trips to the plate. Pitcher Joe Tarin got 2 for 3, Catcher Joe Alcadi got 2 for 4, and Tommy Lemas, who caught the first inning for the locals, got a base hit his one time at the plate.

Sunday the club will again journey to Oakland for an afternoon game but Manager Pugmire said yesterday that he had not received a call as yet as to what team they will meet.

NILES SPORTSMEN WILL ENTER SHOOT

A team of trap-shooters representing the Niles Sportsmen's Club will enter the annual Livermore trap shoot May 23, it was decided this week by the directors, who met at the home of Richard Davis.

Joe Pine was made chairman of the committee to organize the group. Practice shoots will be held Sunday mornings at the range of the local club, to which all interested sportsmen are invited.

Also discussed at this week's meeting was the subject of range rules. Richard Davis was appointed range master. He will be assisted by Clarence Musgrove, Joe Pine, Reginald Calhoun and Lorin Mohn.

Present at the directors meeting were: President Karl Kaiser, Richard Davis, Joe Dooley, Charles Rilea, Reginald Calhoun, Clarence Musgrove, James Damas, Joe Castro, William Chivers, Joe Pine and E. H. Frick.

CAPACITY CROWD AT YOUTH BENEFIT

Proof of the community's interest in the welfare of its youth was witnessed last Saturday evening at Newark when a capacity crowd turned out for the benefit Carnival held at the elementary school under the auspices of the Youth Center Committee.

The court of the school building provided the setting for the various booths and games and the auditorium was utilized for the Variety Show and dancing.

A wide variety of local talent presented a full evening's entertainment for the audence at the Variety Show, presented under the direction of Harry Houston. Highlight of the event was the "beauty" contest between eight of the town's "cuties."

Participating in the beauty contest, and competing for the prize of a free trip with all expenses paid to the Dumbarton Bridge, were: The G.M.C. Star, Betty (Chester) Gunn; Heddy (Kenneth) Foster; Maureen (Jim) Collins; Carmen (Wes) Sears; Lana (Dick) Jolly; Peaches (Kenneth) Berg; Fifi (Sam) Scott; and Hilo Hattie (Harry) Houston.

Very capably serving as master of ceremonies and awarding the prize and corsage to Hilo Hattie Houston, contest winner, was Clyde Hewitt.

DECOTO BALL CLUB WILL REORGANIZE

Al Ferreira, manager of last year's Marlo Packing Corporation's baseball team in Decoto, said this week that he is reorganizing the club this spring and is on the lookout for local talent. He has asked that all players interested in joining the club get in touch with him at the packing plant at their earliest convenience.

He added that the club will probably begin its season on the Decoto school diamond, but expressed hopes that the Chamber of Commerce would locate a larger field before the summer is over and the winter league season begins.

MISSION FIREMEN TO PLAY HAYWARD TONIGHT

The Mission San Jose Firemen's softball team, rained out of their scheduled season opener practice game last Friday night, will journey to Hayward tonight to meet the Mel & Rudy team on the Bret Harte diamond at 7:30 p.m.

CONFERENCE TRACK MEET HERE TODAY

Washington's track squad will be host to the Gilroy cindermen today (Friday) in a Santa Clara Valley Athletic League dual meet at Memorial Stadium beginning at 3 p.m. Coach Jud Taylor's men will be out after their first conference victory.

PARALLEL PARKING FOR CENTERVILLE

Main street in Centerville took on the "new look" this week when crews of the Division of Highways made a surprise visit and painted parking lanes parallel to the curb, putting an end to the angle parking.

At the Wednesday meeting of the Chamber of Commerce the members were in accordance that the new parking system improved the appearance of the town, but were distressed over the loss of approximately 50 per cent of the Main street parking space.

Postmaster Manuel Lewis reported to the members that in a personal survey of the business district he had discovered that the majority of the limited parking spaces were occupied throughout the entire day by automobiles belonging to merchants and their employees.

The members, in an endeavor to provide greater parking facilities for the merchants' customers, passed a motion that a committee be appointed to contact the merchants asking them to find parking spaces in the back of their stores for their cars and those of their employees. Lewis was named chairman of the committee, to be assisted by Louis Cardoza.

FOUR-RUN HOMER GIVES IRVINGTON 7-6 WIN SUNDAY

Bud Marshall's smashing out-of-the-park home run with the bases loaded gave the Irvington Merchants a 7 to 6 win over the Santa Cruz ball club in a nine-inning affair at the beach city diamond last Sunday.

Dutra drew the mound assignment from Manager Frank Mayer and pitched a stellar game, but was relieved in the ninth by Stewart after his throwing arm had weakened. Stewart went onto the mound with the tying run on base, struck out the first batter and caused the second man to pop out.

Sunday the local club will journey to Healdsburg for a 2 p.m. game with that town's club. The following week the Irvington team will leave Saturday morning for Talmadge where they will play a night game under the lights and a second game Sunday afternoon before returning home. All expenses of the trip are borne by the entertaining club.

READERS WRITE US

The Editor, Sir:

I would like to use your columns to express my appreciation to those mothers of Niles who have suggested that I be a candidate for trustee of the Niles Elementary School District.

It is a privilege to be considered capable of such important public service. As the father of a school child, I know how necessary it is to work constantly for the best possible education of children.

The interest of mothers in their public schools is a sound interest that is part of their responsibility in being mothers.

I have accepted their support with a determination, if elected, to do everything I can to make the Niles school the best possible.

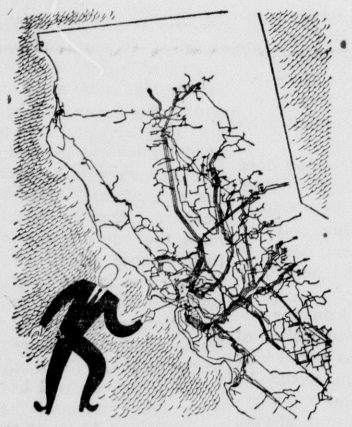
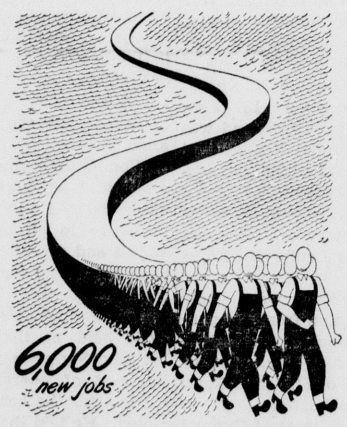
Quick picture of America's biggest power-building program

In three and a half short years... between now and the end of 1951... P. G. and E. will add nearly two million horsepower in generating capacity. To help you understand how big this program really is, here are some comparisons.

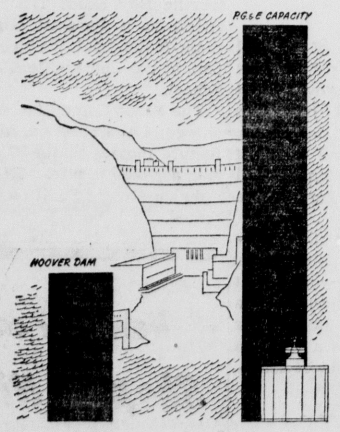


More power than was needed to meet all the pre-war requirements of Northern and Central California will be added.

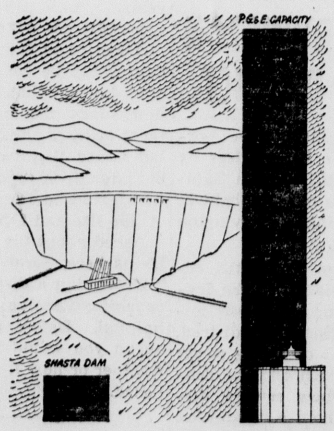


The program is creating jobs for thousands of men. The estimated peak work force will exceed 6,000.

It's the biggest program of any electrical utility in America today, costing more than $400,000,000. It is now proceeding at more than $10,000,000 a month.



Added to previous totals, the new power will give P. G. and E. a generating capacity about three times that of Hoover Dam.



Or 8 times greater than Shasta Dam. This program, now in its third year, is going full speed ahead!

New Plant Schedule

It takes time to build power plants...more than three years to build a steam generating plant. Like everyone, we were delayed by wartime restrictions and postwar building problems. Some of the orders for equipment have been held up many months. But, we're making steady progress now. Here's a schedule of major new plants and completion dates, which will be met unless there are further unforeseen delays.

PLANT	CAPACITY		COMPLETION DATE
Kern Steam—First Unit	101,000 horsepower		Spring 1948
Electra Hydro	133,000	"	Summer 1948
Station "P" Steam	298,000	"	Winter 1948
West Point Hydro	21,000	"	Winter 1948
Colgate Hydro	40,000	"	Summer 1949
Cresta Hydro	101,000	"	Winter 1949
Kern Steam—Second Unit	134,000	"	Spring 1950
Rock Creek Hydro	169,000	"	Summer 1950
One Steam Unit	150,000	"	Summer 1950

SURPRISE VISIT

Mrs. Faye Castro was very surprised when her nephew, Bill Banta Jr., arrived unannounced here in the Mission one day last week. He is from Houston, Texas, is 19 years old, is waiting for his call for the Army and she has never seen the boy before. He came out to see his grandmother, Mrs. Beulah Banta, who is now making her home here at the Frank Castro residence at Our Place on the Niles-Mission highway. Mrs. Banta has a lovely apartment in the family home here and will make her home permanently with her daughter, Faye.

MANY CELEBRATIONS

Many birthdays were celebrated this past week. Teddy Pereira observed his birthday on May Day, and Mrs. Zoea Neeley and Mrs. Schneider on the second. Mr. and Mrs. Frei celebrated an anniversary on Sunday and she and Mrs. Schneider attended the flower show in Oakland on Sunday afternoon as did Mr. and Mrs. Bottenberg, who were guests of Mr. and Mrs. Stewart Fletcher, business manager of the show.

Mrs. Edna (Teddy) Pereira was one of the new members to be initiated at ceremonies at Centerville Country Club on Sunday when she became a member of the Y.L.I. Jack is a member of the Y.M.I.

BOAT EXCURSION

Miss Mary Ann McIvor, daughter of Mr. and Mrs. Bert McIvor, and friends from Palo Alto, went on a boat excursion around the San Francisco Bay on Sunday and had a very enjoyable day of it.

SOMETHING NEW

What Ho! Dolores Andrade is now driving a brand new Plymouth sedan. Could be, it was an early Mother's Day gift from Pop Andrade. Maybe.

NEW LEASES

Mr. and Mrs. Robert Goff and son of Burlingame are now leasing the garage and filling station owned by the Jim Youngs near the entrance to town.

ON SICK LIST

Joseph R. Garcia, who has been on the semi-ill list for some time, is now undergoing a series of x-rays to determine just what is the cause of it all.

SOUVENIRS

Lovely tile plaques in various colors with replica of Mission San Jose De Guadalupe are now on display at the old mission for visitors to purchase as souvenirs from the caretaker and her assistant. There never was a very large souvenir collection here but with summer visitors arriving now they will find a memento to carry away to show their friends just what our mission looks like.

NEW CUSTODIAN

Michael Sullivan has been hired to do some very necessary cleaning and beautifying of the old cemetery here at St. Joseph's Church.

OUCH, HELP!!

Well, here it goes again, folks. Every time I open my big mouth or sit down at my typewriter I write everything but the truth. Why do well meaning folks tell me things for the truth and I publish them when they are so misleading? I asked what the proceeds from the Mission San Jose Firemen's dance were to go for and was informed by one who is supposed to know the answer that it was to purchase new uniforms for the ball team. At the Tuesday evening meeting the top nearly blew off the building because quote "Why can't that dame ever print anything correct!" I for one always try to tell the truth and, gullible me falls for every bit of information given to me for the truth. It seems I sure started fireworks, and from now on if folks want anything in this column for the truth they had better give it to me STRAIGHT! I think everyone likes to read something else besides "Mr. and Mrs. So-and-So went to dinner" or "Martha So-and-So's pig had a litter," so I try hard to make every article I write worth while reading, so people will be interested in really going over the paper to learn what their neighbors are doing and NO GOSSIP OR SCANDAL.

CHILD HEALTH CONCLAVE STARTS NEXT WEDNESDAY

The Alameda County Health Department has again started Child Health Conferences, which had been discontinued during the war due to a lack of medical and nursing personnel. The first Child Health Conference in Washington Township will be held at the Niles Elementary School, Niles, on Wednesday, May 12.

Dr. James C. Malcolm, Alameda county health officer, stated that "the conference is for well children only, and is primarily a teaching center where parents can learn about normal growth and development of children. It is a place where parents may seek help in regard to feeding problems, habit training, and care and prevention of illness, including immunizations for whooping cough and diphtheria, and smallpox vaccinations."

The conferences are being conducted by Dr. Frank Anker, assisted by Edna Ebright, public health nurse. The Parent-Teacher Association of Niles is giving generously of its time in sponsoring this very important activity. Volunteers of the Parent-Teacher Association have been specially trained by health department personnel for their position. Those assisting are Mmes. A. W. Gorman, M. G. Cole, Henry Vervais, Peter Juhl, H. Janssen, Frank Fields, J. Andrews, H. Mottershaw, L. R. Batman, Burlia James and Tom Robbins.

This center is open to all children from infancy to school age. Those mothers whose children are now under the regular supervision of their family physician are encouraged to continue under his care, as this is only a teaching center for keeping well children well, and does not take the place of medical care and treatment.

The Child Health Conferences will be held once a month on the second Wednesday of the month. First on Wednesday, May 12, from 9 to 11:30 a.m. Appointments should be made by calling the Centerville office of the Alameda County Health Department, Centerville 24.

LOCAL GOVERNMENT EXPENSES BOOSTED

Property tax requirements for Alameda county government activities of a county-wide nature for 1947-48 was up $2,095,571 to a gross tax requirement of $10,479,984 for the year, compared with $8,384,413 for 1946-47, California Taxpayers' Association said this week, making public the first section of its study of factors affecting the tax requirements of fifty of California's fifty-eight counties.

Gross expenditures for county-wide activities were budgeted at $23,969,817 for 1947-48, compared with $18,826,233 for 1946-47. Budget appropriations for most activities of less than county-wide coverage are not included.

Surplus, subventions, and miscellaneous other nontax revenues applying to the 1947-48 budget for these county expenditures amounted to $13,489,833 for 1947-48, compared with $10,441,820 for 1946-47.

BEEKEEPERS WARNED TO REGISTER COLONIES

Beekeepers of Alameda county have been advised by County Agricultural Commissioner Gordon B. Laing that all colonies of bees must be registered with his office on or before November 1 of each year.

There is no charge for the registration, which is accomplished on forms supplied upon request to the commissioner's office or Fred H. Duffie, 810 Second street, Niles.

Commissioner Laing said the purpose of registration of bee colonies and notification of their movement is to assist in control of bee diseases, particularly American foulbrood.

CENTERVILLE P.T.A. SELECTS OFFICERS

Mrs. A. E. Rogers, chairman of the nominating committee of the Centerville Elementary School Parent-Teacher Association, announced this week that Mrs. Raymond Rodrigues has been selected to head that organization for the second consecutive year.

Other officers who will head the group during the coming year will be: Mrs. George Roderick, vice-president; Mrs. Jack Holland, secretary; Mrs. Leland Silva, treasurer; Mrs. Tom Maloney, financial secretary; Mrs. Alice King, historian; Mrs. Henry P. Dias, parliamentarian; and George Roderick, auditor.

Plans for the installation exercises are being formulated and will be announced in the near future.

CENTERVILLE SCOUTS PLAN EXPOSITION

Orion Dunbar, new Centerville Scoutmaster, announced this week that the Centerville Boy Scout Troop will stage a camping exposition at their Eagles' Nest headquarters on May 22 and 23.

The members of the troop will camp overnight during the exposition.

Persian lamb-skins (Karakulis) are one of the chief exports of Afghanistan.

V.F.W. AUXILIARY FORMED AT NILES

Ladies of the members of the Vallejo Mills Post No. 8293, V.F.W., Niles, took the initial steps for the formation of an Auxiliary for the Post at a meeting held at the Memorial Building, Niles, Tuesday evening.

The group in attendance voted unanimously favoring the formation of the organization and the request for a charter has been forwarded to the headquarters. Here to assist in the organization meeting was Mrs. Edna F. Musgrove, San Lorenzo.

Candidates as charter members are: Rose Norris, Blanche Frates, Lucille Martin, Mary Grover, Julia Manuel, Julia Pine, Madeline Silva, Janelle Gularte, Roxie Perreira, Mary Wilson, Margaret Davis, Amparo Lira, Joy Mello, Betty Rose, Viola Rose, and Albie Mae Lemas. It was pointed out that wives, mothers or sisters of veterans who served overseas are eligible for membership.

BURGLARY NETS BANDIT 20 CENTS

A bandit looted the cash drawer of the service station operated by Frank Brackendorf at the highway "Y" north of Mission San Jose Sunday night or early Monday morning, accomplishing the act without entering the establishment.

Deputy Sheriff Robert Moore, who investigated the case, reported that the bandit broke a side window, reached through the hole and punched the cash register, getting all the money left in the till, a total of less than 20 cents in pennies. Blood stains on the broken window indicated that the culprit cut either his hand or arm on the glass.

PERMITS INCREASE; VALUATION DOWN

The number of building permits issued in Alameda County during the month of April continued to show an increase over previous months, but the total valuation of the new buildings showed a decline as compared with the March total, according to figures released this week by Marcus S. Carlson, building official.

He revealed that 458 permits were issued last month, as compared with 401 for March, but the April valuation of $2,805,000 was $6,315 under the amount for March.

As with previous months, the largest number of permits were issued for single family dwellings, with a total of 313 at a valuation of $2,066,400.

Other permits issued and the estimated valuations were as follows: 7 duplex dwellings, $55,000; 1 3-unit dwelling, $4,300; 3 4-unit dwellings, $52,300; 1 5-unit dwelling, $12,600; 4 6-unit dwellings, $113,500; 49 dwelling alterations, $71,400; 26 private garages, $30,600; 29 commercial, $146,400; 2 industrial, $60,000; 2 schools, $185,000; 17 miscellaneous, $6,900; and 4 demolition, $400.

The tomato was introduced into the United States in 1784 and Thomas Jefferson was one of the first to grow it here.

IRVINGTON ZONING COMMITTEE MEETS

The zoning committee of the Irvington Chamber of Commerce met Wednesday evening at the I.O.O.F. Hall in Irvington with John Thomas, engineer for the Alameda County Planning Commission, and Ronald Campbell, planning consultant, to outline tentative zones for the community.

Attending were R. J. Wright, Gus Robertson, Carl Christensen, A. E. Alameda, and L. S. Williams. The group announced that as soon as the engineers have completed the new maps, a public meeting will be held for further study of the tentatively zoned area and make any revisions.

About 75 per cent of California's water supply is located north of Sacramento, yet this area contains less than 33 per cent of the state's farm land.

Thinking Things Over...

By VIVIAN BATMAN

REMEMBER WHEN?

If you become discouraged at the unimpressive showing of the present track team at the local high school, it is well to remember that it hasn't always been so, and that the tide will doubtless turn again.

In the years from 1892 to 1926, for example, Washington High's dual meet with Hayward High resulted in a win for Washington every single year! And Washington has turned out many track stars, including Judge Norris—better known as "Tink" in school days—who, after his graduation from Washington, went to Cal and became the Berkeley university's best pole vaulter.

HERE'S WHY

If you ever wondered why country weekly newspapers are so endeared by Americans all over the country, read the last item in Lois Bottenberg's column in this week's issue. It speaks for itself.

STAR GAZING

Have you noticed the many magazines on astrology on the news stands? It seems they are increasing by the dozens, indicating that the public is becoming more and more interested in this "science" of the stars.

If there's anything to it, all those born under a certain sign should have the same characteristcs. Now let's work out a little test. I was born June 16 under the sign of Gemini. These are the things that are—shall we say peculiar?—about me. If you were also born in June, see how they stack up with your own idiosyncrasies. If yours are the same as mine, then—well, maybe there's something to this astrology after all.

I like avocadoes, French-fried prawns, fresh crab cocktails, and raisin bread layered with butter, peanut butter and apple butter (shades of my youth). I am also very partial to cheese cake, and bacon and tomato sandwiches. I don't like liver, rare steaks, peanut brittle candy, or lamb curry.

I become extremely nervous when boogie-woogie music is playing, but I melt right away at the sound of a Strauss or Victor Herbert waltz. I don't care for active recreation, except dancing, but enjoy exceedingly such passive occupations as seeing a good movie, lying in the sun, reading, or listening to music. I would rather take a walk on a starry night than on a sunny day.

I am probably the world's most ardent procrastinator. Show me a menu and I go all to pieces trying to make up my mind. After I've ordered, I generally—though I don't do it in any of the local cafes—call back the waitress at least twice to tell her I've changed my mind.

The actors I like are Gregory Peck, Cornel Wilde, and Joseph Cotton. But I avoid any show starring George Raft, James Cagney, or Humphrey Bogart. The actresses I enjoy are Greer Garson, Joan Crawford and Ginger Rogers, and I'd walk miles to get away from a picture with the Dead End Kids!

I like nice things, but have no desire at all to "keep up with the Jones." And if I had one wish it would be to travel all over the United States, especially in New England and the deep South.

My favorite people are those who are natural, who make no pretenses of having more money, more influence, more prestige, or more virtues than they actually possess. I shy away from people who try to impress me either with their money or with their intellect.

I envy and admire people who have a gift of small talk, but have absolutely no talent for it myself. But I am a good listener, or anyhow I think I am.

Ordinarily I am even-tempered, although there is one thing that makes me see red, and that is for a clerk in a store to coo, "Dearie, that dress looks positively divine on you" when actually it looks like—but what am I saying?

Now you, with the June birthdays, how does this autobiography compare with your own? I am anxious to hear.

'TAINT TRUE!

Anyone who keeps informed about things, knows that any community that ever amounted to anything has had a zoning program. It is a reflection on the intelligence of our readers to even enumerate the advantages of zoning.

However, since Niles has set out to get zoning, there have been some wild rumors—rumors that were circulated, of course, by opponents of the plan.

I heard one of the most fantastic rumors of all this week—that Niles residents could no longer raise chickens! It's just as preposterous as though someone had said that Niles residents could no longer raise children—a rumor that the opponents of zoning have doubtless failed to think of. What would Niles be without chickens? What would ham be without eggs?

You may rest assured that those who oppose zoning of a community do not have the welfare of a community at heart. There is some other reason, usually a selfish one, that prompts them to fight zoning.

And if anyone says to you that chickens can no longer be raised in Niles, tell them that you can't be taken in by such ridiculous propaganda.

NEW SCOUTMASTER FOR CENTERVILLE

Orion Dunbar, Centerville, assumed the position of scoutmaster of the Centerville Boy Scout Troop effective May 1.

Dunbar, a clerk at the Safeway Store in Centerville, succeeds James George who requested to be transferred to the Scout Committee because of his lack of sufficient time to devote to the scoutmaster duties.

CENTERVILLE SCHOOL HOST AT FESTIVAL

Centerville Elementary School was host last Thursday afternoon to 257 seventh and eighth grade girls at a folk dancing festival held in the school auditorium.

Schools participating were Alvarado, Alviso, Centerville, Decoto, Irvington, Mt. Eden, Niles, and Warm Springs. Following the dancing, the parents, teachers, and students concluded the enjoyable afternoon with the serving of punch and cookies. The committee in charge of arrangements consisted of Mrs. Grace Ricketts, county superintendent of schools office; Miss Shirley Hertz, Decoto; Mrs. Alice Lambrecht and Tom Maloney, Centerville, and principals and teachers of schools participating.

SAFEWAY MEATS are trimmed before weighing —SO YOU SAVE MONEY!

For example:
RIB LAMB CHOPS
Tip end of chine bone removed before chops are offered for sale.
Long "tail" cut off before chop is offered for sale.

When you compare meat prices, it is important to compare trimming, too. Safeway meats are trimmed free of excess bone, fat and waste...you pay only for good eating meat. For example, note in the drawing at the right how Safeway rib lamb chops are trimmed waste-free. And...we start with quality meats. We buy only top government grades of beef—top grades of lamb, pork and veal. Meats so good that we guarantee they'll please you.

New Niles Residents

Expected to be completed in about 60 days is the new home on the Niles Highway being built by Walter Frankie. The home is situated on the two-thirds of an acre Mr. and Mrs. Frankie recently purchased from James Williams. They and their three children are still living in their San Leandro home, pending the completion of their home in Niles. Mr. Frankie is employed at the Continental Can Company in Oakland.

For Mother's Day

A pre-Mother's Day celebration at the J. A. McDonald home in Adobe Acres will be held on Saturday evening when the following will be dinner guests: Mr. and Mrs. Arthur L. Case Jr. (Rosemary McDonald), Mr. and Mrs. Arthur L. Case Sr. of Sacramento, and Mr. and Mrs. Francis Howe (Julianne McDonald).

Their First

A six-pound, 12 ounce boy, James Milton, was born Wednesday at the O'Connor Hospital in San Jose to Mr. and Mrs. John Howe. The baby's father is a former Mission San Jose boy, and is employed on the San Jose Mercury-Herald.

Adoption Announcement

Still receiving congratulations upon the adoption of little Claire Joanne Pimentel is Joseph Perry Roderick of Hayward.

Claire Joanne, daughter of Clarence Pimentel of Alvarado, an employee of James Graham of Newark, is also thrilled at having such a grand new daddy. Mr. and Mrs. Roderick have another child, Alfred, one-and-a-half years old. Mrs. Roderick is operator of a children's nursery in Hayward.

Shower Honors Mrs. Richards

Mrs. Mary Richards of Irvington was the guest of honor at a stork shower given for her by Mrs. Ethel Merrill and Sylvia Espinoza of Irvington, at the Merrill home last Thursday.

The guests included Elsie Rogers, Vivian Costa, Pat Burnsed, Josie Borge, Lorraine Harvey, Dorothy George, Mrs. Richards, Gerry Richards and Mrs. Krueger.

Mrs. Richards received many attractive gifts from her friends.

Mrs. George is Hostess

Mrs. Dolores George entertained at her home on the Niles-Alvarado road Monday, honoring Mrs. Edna Weldon of Oakland, on her birthday.

Those present were Mrs. Laura Bryant, Oakland; Mrs. Lorraine Stanley, Livermore; Mrs. Hazel Caeton, Alviso District; Mrs. Emma Gomes, San Jose; and Mrs. Stella Caldeira, Decoto. Luncheon was served at noon and featured homemade enchiladas and the traditional birthday cake. The honored guest received many lovely gifts. The day was enjoyed by all.

Theater Party

Planning to attend "Oklahoma!" Saturday night are four local couples who will first have dinner together at some spot on the peninsula. They are Mr. and Mrs. A. E. Alameda, Mr. and Mrs. Louis Cardoza, Mr. and Mrs. William Furtado and Mr. and Mrs. Vernon Rose.

To Santa Barbara

Mrs. Leon Solon has returned to Niles after taking a trip on the "Daylight" to Santa Barbara with her daughter, Mrs. John Rathbone, who had been visiting here in Niles with her little son for the past two weeks.

Localites at Flight Conclave

Hobnobbing with Hollywood luminaries last Saturday night at a dinner-dance at the Claremont Hotel were Dr. and Mrs. Tom Wilson and Mr. and Mrs. George Bonde. The occasion was in celebration of a flight of amateur aviators from all over the west, to the Concord airport. Among some of the most noted air-minded stars were Mary Pickford and Buddy Rogers, and Frances Langford and Jon Hall.

"Doc" Wilson intends to take part in another flight this weekend.

Other amateur pilots from the township who winged their way over to Concord include E. Mendenhall, Peter DeTrant and Walter Stammet.

For Mother's Day

In celebration of "Mother's Day" next Sunday, a few of our local amateur chefs are going to take over the kitchen range—or rather the barbecue, in this case—and show the ladies just how delicious food can be. The scene of the unusual affair will be the garden of the F. E. Dias home, where Fred Dias will tend the fire, Jack Geib will watch over the beans, and Leon Solon will maneuver the steaks, while E. E. Dias keeps the four wives entertained. Also present will be Bob Solon, to spend his first Mother's Day in five years with his family.

Will Go to Guam

Mrs. H. Atencio, who has lived in Canyon Heights for two years, is making plans to leave here and join her husband in Guam. He has been there for several months, and has just recently found accomodations for her. Their son, Ronnie, a student at Washington High, will stay in California, completing his high school work in Southern California. Mrs. Atencio is planning to leave on June 16.

Week-End Guests

The O. B. Stanger home in Canyon Heights was bulging at the seams last week-end, what with all the out-of-town guests. It was crowded, but nobody seemed to mind. The guests were their daughter and family, Mr. and Mrs. Wilson Gengeler, Diana, Lynette and Carla Sue of Richmond; another daughter, Joyce, also of Richmond; a nephew, Bernie Johnson of Treasure Island; and their daughter, Marcia, who is now going to school in San Francisco.

Birthdays Galore

There have been a series of birthday celebrations in the Paul Eliott home in Adobe Acres, Niles. Living with the Eliotts until their new home is completed are Mr. and Mrs. Paul Stanfield, whose daughters, Jean and Phyllis, celebrated their first and fifth birthdays respectively this week. To add to the festivities, Douglas, the eldest of the four Eliott boys, also celebrated his birthday. The main event—meaning, of course, the ice cream and cake—was held as a combination affair on Tuesday.

Visits in Irvington

W. G. Stewart of Phoenix, Arizona, spent Tuesday in Irvington visiting at the home of his wife's parents, Mr. and Mrs. L. W. Krueger. He was enroute to San Francisco on a business trip.

Sunday Guests

Sunday guests of the A. E. Alamedas at their lovely new Irvington home were Mr. and Mrs. Irving Elkus of Oakland, and Mr. and Mrs. Charles Sargent, also of Oakland. They enjoyed immensely sunning themselves in the spacious patio.

From New Orleans

Visiting at the home of Mr. and Mrs. Joseph Shinn Jr. is Mrs. Shinn's grandmother, Mrs. E. E. Mercer, who arrived recently from New Orleans. She will be here until June, then will go on to Indiana to visit other relatives.

To "Oklahoma!"

Among those who have tickets for "Oklahoma!" are Mr. and Mrs. G. D. Maphet and Mr. and Mrs. Dan Marble of Niles. The two couples plan to see the popular show Saturday night in San Jose.

House Guest

Visiting this week at the home of Mr. and Mrs. Earl Mackintosh of the Niles-Mission road is Mrs. Kay Curtin of San Francisco. Mrs. Curtin and the Mackintoshs were neighbors in San Francisco for many years.

Fly to Monterey

Mrs. Elizabeth Mendenhall of Niles and her son took a flight recently in his plane to Monterey where they enjoyed a fish dinner. "A quick and easy way of traveling," thinks Mrs. Mendenhall, who enjoyed the short jaunt immensely.

Daughter to Marias

A daughter was born to Mr. and Mrs. Anthony Joseph Maria, 841 Third street, Niles, at Community Service Hospital, San Jose, on April 26. She has been named Linda Sharon.

Mother and Son

At the Bendel home in Adobe Acres with her new baby son is Mrs. Frank Lombardi (Winifred Bendel). She expects to be here for two weeks.

Dinner in Oakland

Mr. and Mrs. R. J. Wright of Irvington were dinner guests last Sunday at the home of Mrs. Mildred Rasmussen in Oakland.

Visit in San Jose

Mr. and Mrs. George Beardsley of Irvington spent last Saturday in San Jose visiting at the home of her mother, Mrs. Lena Roderick.

Recuperating

Mrs. Marian Mello of Turlock is in Irvington at the home of her daughter, Mr. and Mrs. Filbert Silva, recuperating from a recent operation.

First Child

Proudly announcing to their friends the birth of their first child, a daughter, are Mr. and Mrs. Joseph R. Andrade, who live near Machados Corners. The little girl arrived Tuesday at Providence Hospital.

Visits Mother

Mrs. Martha Wyatt of Philomath, Oregon, arrived Monday afternoon in Niles to spend two weeks visiting her mother, Mrs. Sarah Crane. Mrs. Wyatt brought her two sons, Billy and Raymond.

Husbands' Night

Harriet and Dwight Thornburg were among those who entertained recently at a musicale given by the Nu Phi Epsilon, a musical sorority, at the home of Tanya Uri in Berkeley. The Thornburgs played a two-piano selection, "Scaramouche" by Darius Millhaud. About a hundred music-lovers were present for the occasion, which featured husbands of the sorority members.

HERE AND THERE IN DECOTO

By. FLORENCE MEDEROS

A NEAR CATASTROPHE

An accident that could have been a great catastrophe happened right opposite Vernon's Service Station on the Decoto-Niles highway last Wednesday when a car driven by Mr. John Sequeira of Milpitas hit a telephone pole and split it in half. This all happened because Mr. Sequeira was alleged to have been run off the road by a car from the other direction. The man who is said to have run him off the road didn't even stop to help, but it so happened that Frank Borgi, who saw this all happen, chased the other car at a speed of 80 miles an hour to get him, and he had to go all the way to Hayward before he caught him. Mr. Sequeira got out of his car without a scratch but was shaken up quite a bit, and his car, a total wreck, was towed away.

WILL MOVE SOON

An exciting baseball game was enjoyed Sunday at the Oakland Ball Park by Mr. and Mrs. Ray Corchero. The Seals played the Oaks in a double-header. The couple, who have bought themselves a lovely new home on Washington Acres in San Lorenzo, are getting ready to move.

DINNER PARTY

A dinner party was given recently at the International Kitchen in honor of Mrs. "Shorty" Garcia and her mother, Mrs. Violet Thompson, both of Australia. Those who honored the pair were Mrs. Kenneth Garcia, Mrs. Chris Guerra, and Mrs. Lawrence Luevano.

FUN AT SANTA CRUZ

Those who enjoyed the beauties of Santa Cruz last Sunday were Mr. and Mrs. John Navas, Mrs. Cecelia Garcia, Mary Jane Garcia, Antoinette Gutierrez, Mr. and Mrs. "Shorty" Garcia, Mr. and Mrs. Don Martin and family, and Mr. and Mrs. Ken Garcia.

BABY SHOWER

A baby shower was attended by Mrs. Ed Gularte last week. The shower was given for her niece, Mrs. Ruth Cantu, the former Ruth Nieves of Decoto. The shower was given by Ruth's sisters and the family was all invited. The sisters made bootie favors which were very cute. Mrs. Cantu now lives in Pacific Grove but came to Hayward for the shower at the home of Mrs. Thelma Abreu, her sister. Refreshments were served, and she received many darling gifts.

SATURDAY PARTY

A party was held at the home of Mr. and Mrs. John Navas last Saturday evening. The guests were Mr. and Mrs. Frank Mateo, Mr. and Mrs. Babe Pagan, Isabel Garcia, Sam Rebejo, Henry Pagan and Joe Monte. Dancing and cards were the order of the evening, followed by refreshments.

MOUNTAIN VACATION

Mrs. Babe Faletti and Mrs. Flora Silva enjoyed a vacation last week by motoring to Babe's cabin at Nevada City. It snowed while they were there and they enjoyed the winter sports. They returned home the fourth day.

MOTOR TO VENTURA

A trip to Ventura was taken last week by Mrs. Murdock and her son, who motored down to visit friends and relatives.

SWIMMING TESTS

The Boy Scouts have been getting swimming tests every week at the Hayward Plunge. Scoutmaster Pat Luna took them swimming again last Monday and the boys enjoyed the tests and Luna says his boys are doing fine.

EVENING IN CITY

Mrs. Ruby Silva and Jeanne Evelyn, Mrs. Betty Silva and Mrs. Mildred Mederos, Bob and Lester, enjoyed an evening in Oakland this week.

RECUPERATING

Mr. and Mrs. Manuel White went to Oakland Sunday to see his father, who is in the hospital there. They reported that he is recovering satisfactorily.

INTO NEW HOME

Everyone is busy at the corner of Sixth and G streets because Mr. and Mrs. Jimmy Gonsalves and daughters, Betty, Marie and Linda, are moving into their new home today. Their new residence was completed in 10 weeks.

ENJOY VACATION

Mrs. Florence Mederos and son, Earl Jr., spent a wonderful five-day vacation at the home of her mother, Mrs. John Rose in Concord.

HOSTS AT DINNER

A lovely chicken dinner was given Mr. and Mrs. Earl Mederos and Earl Jr. last week by Mr. and Mrs. Anthony Escalona. After the dinner everyone enjoyed a day and evening of visiting.

WEINER ROAST

A weiner roast was enjoyed by Mr. and Mrs. Roy Corchero and Mr. and Mrs. Bill Gomes one evening this week. The evening was spent playing pedro with the women winning over the men.

NILES MEAT MARKET VISITED BY BANDIT

Arnold Bellini, owner and operator of the Niles Meat Market, notified local sheriff's deputies last Friday morning that his market, located on the highway, had been burglarized either early that morning or late the previous night.

Deputy Sheriff Robert Moore, who investigated, said that entrance was gained by breaking the glass in the front door and reaching through the hole to unlock the door. Approximately $10 in dimes and nickles was taken from the cash register but the bandit did not brother with the till of pennies in the drawer. Nothing else was reported missing.

NEW KERN POWER PLANT IN SERVICE

A new Pacific Gas and Electric power plant went into operation near Bakersfield this week, feeding 101,000 horsepower of additional current into the company's interconnected system which supplies 46 northern and central California counties.

The new generator is one of two units to be installed in the Kern steam-electric plant. The second unit will bring the plant's capacity to 235,000 horsepower. The plant is the first new power source installed in the company's huge expansion program which was initiated in 1945 at the end of the war.

Construction is now proceeding at a rate of more than $10,000,000 a month on other projects. New hydroelectric and steam-electric plants scheduled for completion in the next three and one-half years will increase P. G. & E.'s grenerating capacity by nearly two million horsepower.

The total area of the Philippine Islands is 115,600 square miles.

NOTICE OF HEARING PETITION FOR ANNEXATION OF TERRITORY TO NILES SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that the following Petition For Annexation of Territory to Niles Sanitary District of Alameda County, California, will be presented to the Sanitary Board of said Niles Sanitary District on Monday, the 17th day of May, 1948, at the hour of 8:00 o'clock p.m. of said day at the regular meeting place of said Sanitary Board at 317 School Street, Niles, Alameda County, California, at which time and place all persons interested may appear and be heard.

PETITION FOR ANNEXATION OF TERRITORY TO NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA

TO THE SANITARY BOARD OF NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA:

CALIFORNIA NURSERY COMPANY, a corporation, respectfully requests that the necessary steps be taken to annex the contiguous territory herein described to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, pursuant to the provisions of Chapter 9, Part 1 of Division VI of the Health and Safety Code of California, and respectfully sets forth and represents:

I.

That the boundaries of the contiguous territory hereby sought to be annexed to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, are specifically designated and described as follows:

Real property in Washington Township, Alameda County, California, described as follows:

BEGINNING at the point of intersection of the Northeasterly line of the 80 foot Right-of-Way conveyed to the Western Pacific Railway Company by deed dated February 13, 1907, and recorded in the office of the County Recorder of Alameda County, California in Book 1342 of deeds at page 12 thereof, with the direct production Northerly of the Easterly line of that certain 3.52 Acre Tract of land conveyed to the Western Pacific Railway Company by deed dated June 8, 1921 and recorded in the office of the County Recorder of Alameda County, California in Book 34 of Official Records, at page 205 thereof, and running thence Southerly along said direct production and along the Easterly boundary line of said 3.52 Acre Tract to the center line of Alameda Creek (being the Northern line of Union Sanitary District of Alameda County, California); thence Easterly and Southerly along the center line of Alameda Creek (being the Northern line of Union Sanitary District of Alameda County, California) following the meanders thereof to an intersection with the Northerly line of Ex-Mission Survey No. 83; thence Easterly and Southeasterly along the Northerly line of Ex-Mission Survey No. 83 (being the Northern line of Union Sanitary District) to an intersection with the Easterly boundary line of that certain 463.38 acre tract of land conveyed to the California Nursery Company by deed dated August 23, 1900 and recorded in the office of the County Recorder of Alameda County in Book 747 of deeds at page 85 thereof; thence Northerly along the Easterly line of said 463.38 acre tract to an intersection with the Northeasterly line of the aforesaid 80 foot Right-of-Way of the Western Pacific Railway Company; thence Northwesterly along the Northeasterly line of said Right-of-Way to the point of beginning.

II.

That your petitioner is the owner of all the real property in said territory proposed to be annexed, except the portion included within the 80 foot Right-of-Way of the Western Pacific Railway Company; that the real property owned by petitioner represents more than seventy-five percent of the total assessed valuation of the territory proposed to be annexed, as shown by the last Equalized Assessment Roll of Alameda County, California; that said territory above described is wholly in Alameda County, California, is not in any other sanitary district, and is contiguous to said Niles Sanitary District of Alameda County, California.

III.

That the total assessed valuation of the territory hereinabove described, as shown by the last Equalized Assessment Roll of said County of Alameda, is the sum of $2057.00; that the assessed valuation of the real property owned by the undersigned in the territory hereinabove described, as shown by the last Equalized Assessment Roll of said County of Alameda, is the sum of $2057.00.

WHEREFORE, the undersigned asks that the necessary steps be taken to annex the territory herein described to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, pursuant to the provisions of Chapter 9 of Part 1 of Division VI of the Health and Safety Code of California.

TWO LOW PRICE TIRES ADDED BY FIRESTONE

Super-Champion, Standard Now Available in Economy Brackets

Expansion of its line of passenger car tires by the addition of two new tires, the Super-Champion and Standard, both in the low price field, has been announced by The Firestone Tire & Rubber Company.

Retail price for the 6.00 x 16 Super-Champion was revealed as $13.95; the Standard will sell for $12.40.

"The addition of the Super-Champion and Standard to the Firestone line serves a double purpose," said H. D. Tompkins, Firestone Vice-President in charge of sales. "First, it places Firestone dealers over the country in a fully competitive position and, second, it enables the motorist to choose the highest quality tire at the lowest possible price."

Featuring an 8-rib, deep non-skid tread, the Super Champion has two extra plies under the tread and its Safti-Locked, Gum-Dipped cord body gives increased resistance to impact and breaks.

The Standard, a tire of outstanding value, offers new tire quality and safety at an extremely low price. It has a new, sturdy, curve-safe non-skid tread. Both new tires carry the usual Firestone lifetime guarantee and are available at the local Firestone dealer, Shank's Union Oil Station, Niles. Adv.

VISIT SON

Mr. and Mrs. Everett Gaunt took a brief vacation and motored to Hanford on Sunday to visit their son and family, Mr. and Mrs. Elwin Gaunt. They returned home late Monday evening.

BIRTHDAY FETE

Little Miss Alice Mae Gibson celebrated her 9th birthday on Tuesday afternoon, April 27, with a party of sixteen playmates. On arriving each little girl drew from a pink and yellow bowl either a pink or yellow paper rose to wear on her dress. The cake and table decorations were also carried out in the pink and yellow motif. The afternoon's entertainment included playing games, doing stunts for which prizes were awarded, and each little lassie sang her favorite song. Present to enjoy the ever-popular refreshments of cake, ice cream and soda pop were: LaVonne Lemas, Patty Smith, Norma Puffer, Eileen Pierce, Carmen Huizar, Betty Basurt, Yvonne Sudbury, Mary Aroujo, Bertie Holderfield, Carol Bernard, Sharon Cole, Cheris Soults, Rowena Harrison, Darlene Wilson and Shirley Bernard.

ANNIVERSARY

Mrs. Claude Mello entertained at a luncheon on Tuesday afternoon, April 26, at her home on Mulberry street in celebration of the first anniversary of her family moving in the Lindsay Gardens. The Mellos have the distinction of being the first family to settle in the tract. Invitations were extended to Mary Lawrence, Lucille Lewis and Lorraine Soito. All had a wonderful time and pictures were taken in remembrance of the happy occasion.

SURPRISE PARTY

Miss Eleanor Freitas was the honored guest at a surprise party given her by Sal Millan in celebration of her birthday on Saturday evening, May 1, at the home of Mr. and Mrs. Leo Silva of San Jose. Thirty guests attended and enjoyed the novelty of seeing motion pictures in the rumpus room of the Silva home. Refreshments were served during the evening and two beautifully decorated birthday cakes adorned the refreshment table. On Sunday "Elly" again celebrated her birthday with her family at the John Freitas home. Light refreshments were served to the David Freitas family, the Johnny Freitas family, Mr. and Mrs. Bud Kettman, Jack and Jill, the McNieves, the Laceys and Mr. and Mrs. Tony Freitas and son, Ernie.

HOSTESS AT PARTY

Mrs. Mary Lawrence was recently hostess to a mop party with Mrs. Helen Rogers as demonstrator. Guests included Isabel Mendes, Louise Quadros, Claudia Mello, Clara Silva, Lucille Lewis, Lorraine Soito, Mrs. Cunha, Evelyn Lucas of Niles, Mrs. Elsie Duarte and Mrs. Arlene Vargas of Warm Springs. Refreshments included home-made pie topped off with whipped cream. Mrs. Lawrence was presented with a lovely gift.

GOOD FISHING

Who said women are helpless? Mrs. Val Lotti spent Tuesday fishing and arrived home the winner, with 52 smelts to her credit.

REMEMBER MOTHER

This Sunday, May 9, is the day —Mother's Day—remember your mother, be it by a loving thought, word or deed.

SUCCUMBS ON VISIT HERE

Alois Von Moos, 50, Greenfield, California, a visitor at the home of Mr. and Mrs. Joseph Rickenbacher near Irvington for the past few weeks, died suddenly early Sunday morning while enroute home with the couple from a dance at Swiss Park.

He was the brother of Carl and Joe Von Moos of Stanwood, Washington. Funeral services were held at 8:30 a.m. Wednesday from the parlors of the Berge Mortuary, Irvington, followed by a requiem mass at St. Josephs Church, Mission San Jose. Interment was at Holy Sepulchre Cemetery.

NEW ENLISTMENT FACTORS REVEALED

Veterans now have many special opportunities to enlist in the U. S. Army, according to M-Sgt. William Cote, recruiter for this area.

One of the most attractive opportunities for former members of the Army, Air Force, Navy, Marine Corps or Coast Guard is the chance to enlist in the U. S. Army in a noncommissioned grade commensurate with their former military specialty and length of service. The grade will be determined primarily by the amount of technical skill and experience.

Veterans without overseas experience may enlist directly for the European theater, or they may choose on of the five famous divisions now in Japan or Korea.

Another opportunity open to veterans without service overseas is enlistment for initial assignment to units stationed in the United States. They will be guaranteed assignment to these units for one year.

Veterans with service overseas since September 2, 1945, Sgt. Cote pointed out, can enlist in one of eight Army units now stationed in the United States, with a guarantee of three years' service with that unit.

INSTALLATION DINNER MEET

The annual installation dinner-meeting of the Business and Professional Women's Club of the township will be held Monday evening, May 10, in the social rooms of the Niles Congregational Church.

The Ladies' Guild of the church is preparing and serving the dinner.

New-Recipe Angel Pie

RECIPE

MERINGUE SHELL

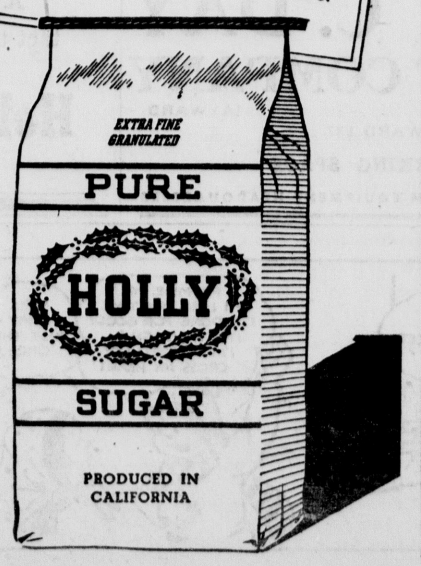
4 egg whites
½ tsp. cream of tartar
⅛ tsp. salt
1 cup Holly Sugar, sifted
¼ tsp. lemon extract
5 or 6 drops almond extract

Beat egg whites in large bowl until foamy; add cream of tartar and salt. Continue to beat, adding sugar slowly, about 1 tsp. at a time. Add flavorings and beat until sugar is dissolved. Spread in buttered, lightly floured 9-inch glass pie plate. Bake about 1¼ hours in a slow oven (250°F.) or till dry and lightly browned. Chill.

FILLING

4 egg yolks
1 cup Holly Sugar
2 tbsps. flour
⅛ tsp. salt
¼ cup water
¼ cup lemon juice
1 tbsp. grated lemon rind
1 cup cream, whipped

Beat egg yolks in top of double boiler until thick. Add sugar, flour, salt; blend thoroughly. Stir in water, lemon juice and rind. Cook over boiling water, stirring constantly, until mixture thickens, about 15 minutes. Chill. Fold in whipped cream. Pour into meringue shell. Chill overnight in refrigerator. Serves 6 to 8.



For desserts like Angel Pie you'll want Holly Sugar. Because no sugar in the world is sweeter. No sugar runs more freely or is finer in grain than this pure, white sugar your neighbors produce!

Many housewives hereabouts buy the sugar named HOLLY. They do so because Holly Sugar is *perfect* for baking, cooking, canning and at table. Always white—pure. Always sweet, free-running, fine in grain.

Holly is made from sugar beets which farmers around here grow. Holly Sugar is processed in the local Holly factory. All this puts money into circulation around here... is good for local business.

And this is important: When this local sugar is sold in these local parts—close to where it's grown and made—freight costs are saved. *These are savings Holly shares with beet growers in this area.* So the more Holly Sugar that is sold at home, the more local growers receive for their sugar beets.

Extra dollars kept at home help make your own living better. So don't accept just any sugar. *Insist on getting HOLLY!*

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employes reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15½ cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15½ cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employes have accepted. They have called a strike to get more!

Unions refuse rules discussion

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified

Engineers and firemen are among the highest paid of all employes in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board, after hearing evidence for 33 days, made recommendations based on all the facts in the case. **The railroads have accepted these recommendations.**

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms.

They have dictated a paralyzing railroad strike.

You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and fireman for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15½ cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.

Hollywood elephants, Don Dorsey on the lofty trapeze, Harold Barnes dancing boogie to ballet on the tight wire, the Great Franzcisco on the high swaying pole, the Konyots' dancing horses, Ernie Wiswell's "mirthquaking" funny Ford, and a host of international acrobatic champions, including the Ivanov Trio, Chai and Somay, Para and Nino, and the Mustafas.

Night performances, May 6-16, will be at 8:15 p.m. Afternoon performances will start Saturday, May 8, and follow this schedule: Both Saturdays, 2:15; both Sundays, two matinees at 1 and 4; school days (except Tuesday, May 11), 3 p.m.

DDT KILLS PESTS, SHOWS UP IN MILK

DDT should not be used on alfalfa fields to control alfalfa butterflies because it carries over into milk, meat, and eggs of livestock and poultry which eat that hay, warns Dr. Ray Smith, University of California College of Agriculture entomologist.

"DDT does a fine job of killing alfalfa butterflies," Smith said. "But enough DDT comes through in the milk so that we can't recommend it."

Alfalfa that had been sprayed with only one-quarter pound of actual DDT per acre was fed to six cows in Fesno county for three months this winter. The hay contained 7 to 8 parts of DDT per million parts of hay.

Within six days after feeding started, each cow's milk showed 2 to 4 parts of DDT per million parts of milk. It stayed at this amount for the entire feeding period. Butter made from this milk tested 65 parts per million DDT. When the amount of hay was cut in half, the DDT in the milk dropped 50 per cent also. Within a month after feeding stopped, four cows had no DDT in their milk, the other two only the smallest trace.

There has been no known human injury due to excess DDT in the milk, Smith said, although large acreages of alfalfa have been dusted with DDT. The amount of DDT on the hay did not hurt the cows at all. Nevertheless, Smith emphasized taking no chances.

On May 6, 7, and 11, morning matinees will be given expressly for underprivileged children of the East Bay area, who will see the circus as guests of benevolent business firms and individuals. The public will not be admitted to the morning matinees.

Prior to 1880 and especially during gold rush days, gold came almost entirely from placers.

HAYWARD ALL SET FOR GALA WEEK

All of Hayward is bedecked in colorful bunting ready and waiting for the gala opening of Western Week next Monday and the 27th annual Hayward 20-30 Club Rodeo, May 8 and 9, at the Harry Rowell Ranch arena in Dublin Canyon.

Decorators started the task of stringing colorful flags across main thoroughfares last week-end soon after bunting appeared in increasing numbers on local store fronts.

Early next week the 20-30 boys will start manning the Kangaroo Court which will deal out justice to those who dare appear on Hayward streets without some article of Western garb. Those warranting the dire penalty of the court will be incarcerated in a special hoosegow now being built for the occasion.

Meanwhile from the Harry Rowell ranch comes report of mounting entry blanks from scores of the nation's leading cowboys who will take part in the city's first two-day rodeo program since pre-war days of 1941.

Adding color to both days of the rodeo will be the appearance of H. P. (Jack) Gleason's Alameda Sheriff's Posse. More than 25 of the group will be on hand to put their handsomely groomed and saddled mounts through intricate drills. Eddie Carey is captain of the posse.

The men will also be seen with many of Northern California's most outstanding riding groups in the city's longest parade Saturday morning, May 8.
